Burning Questions Route

## Admissions/Scholarships/ Financial Aid

What subjects and grades should I have to thrive in SUTD?

What kind of students is SUTD looking for?

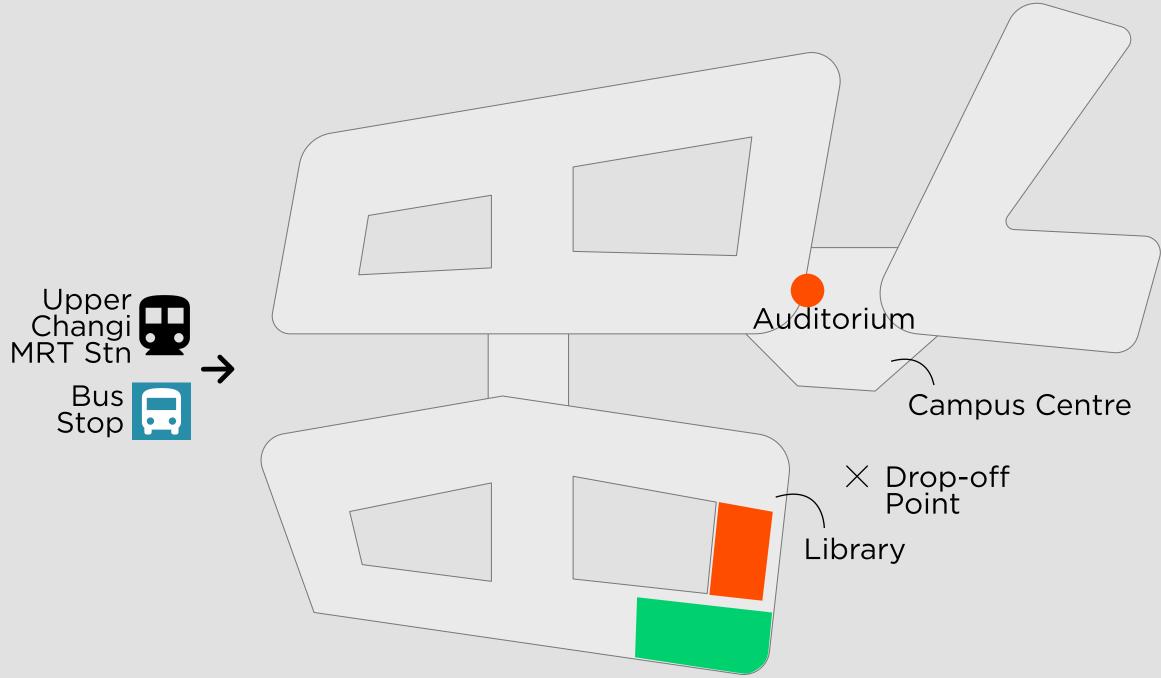

What scholarships and financial assistance are available for SUTD students?

#### **M** Library Level 1

Register for 1:1 consultation on admissions, scholarships and financial aid at the Admissions booth.

## Maditorium 11AM 3PM

Join the talks by our Director of Admissions to gain an understanding of our education and find out what are the key things to note about applying to SUTD.

## The Freshmore Experience

How different are the teachings and lessons at SUTD?

Why is an interdisciplinary common curriculum important?

How are SUTD students trained in innovation, technology, and design to impact society?

How do the Freshmore Asian Cross-curricular Trips (FACT) enhance our students' learning experience?

## **M** Library Level 1

Check out the Science, Mathematics and Technology (SMT) and Humanities, Arts and Social Sciences (HASS) booths to understand how Freshmore (first-year) modules play an important role in the SUTD curriculum.

## Training Room @ Library Various timings

Get a taste of the Freshmore Experience through the hands-on workshops by SMT and HASS.

## Burning Questions Route

## Degree Programmes

How are SUTD degree programmes different from universities globally?

Who are the key industry partners for each programme?

What overseas learning opportunities are available?

What is the significance of the >20 Team Design Projects and Capstone that each student completes before graduating?

## Careers & Alumni

How does SUTD prepare students for successful internships and careers?

Who are the top employers of SUTD graduates?

To employers, what makes an SUTD graduate different and valuable?

Discover what's unique about each of our degree programmes through their all-round showcases - including personal consultations, demo & project display, talks & sharing. Interact with our Heads of Pillars, faculty, staff, alumni and students, find out the potential career pathways.
