Start navigating by persona

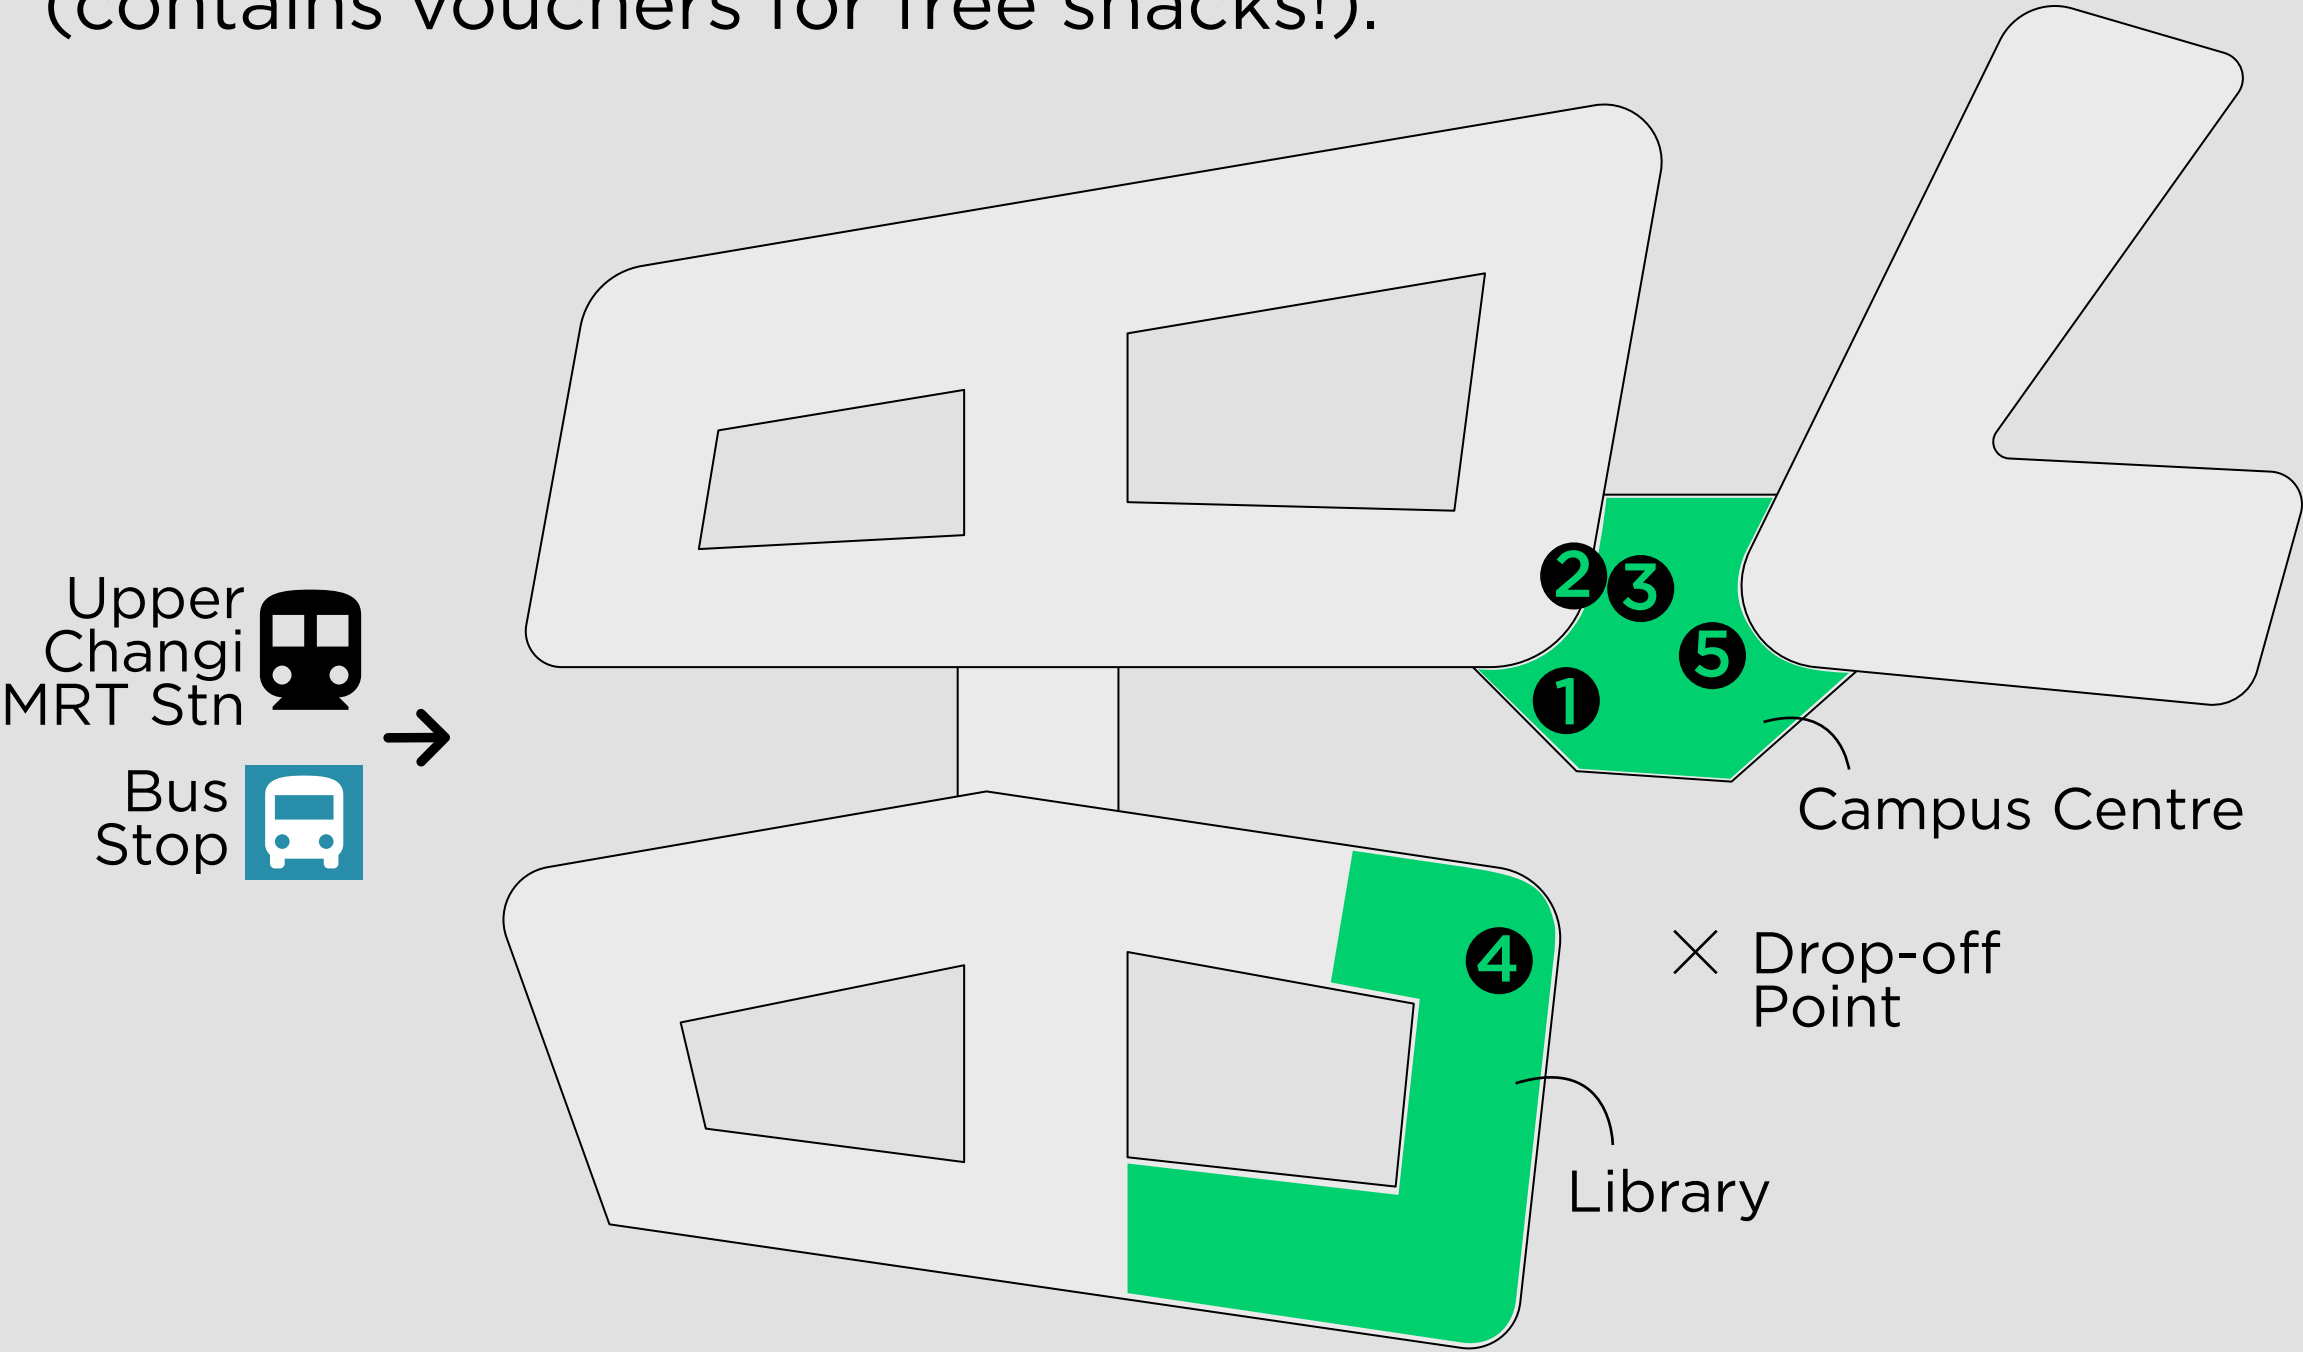

I'm a student who is new to SUTD

Follow this route if you'd like an overview to understand the key features and uniqueness of SUTD.

1 Welcome & Info Booth

Start your journey here! Redeem an exclusive totebag and collect our event handout (contains vouchers for free snacks!).

2 SUTD 101 & Admissions 11AM

Head into the Auditorium for the 'SUTD 101 & Admissions' talk by our Director of Admissions. Gain an overview understanding of our education and key things to note about applying to SUTD.

3 Programme Teaser Booths

A snapshot of each of our degree programmes. Our staff & student volunteers will point you to the respective Degree Programme Showcases if you wish to gain a more in-depth understanding of each degree programme.

4 Library

Register for 1:1 admissions and financing consultation. Check out the booths to find out about overseas opportunities, entrepreneurship, internships and career prospects

5 Fifth Row Showcase

Head back to the Campus Centre (Level 1 & 2) to check out student performances and student club booths.

I'm a student interested in SUTD academic programmes

Follow this route if you'd like an in-depth understanding and all-round experience of our degree programmes.

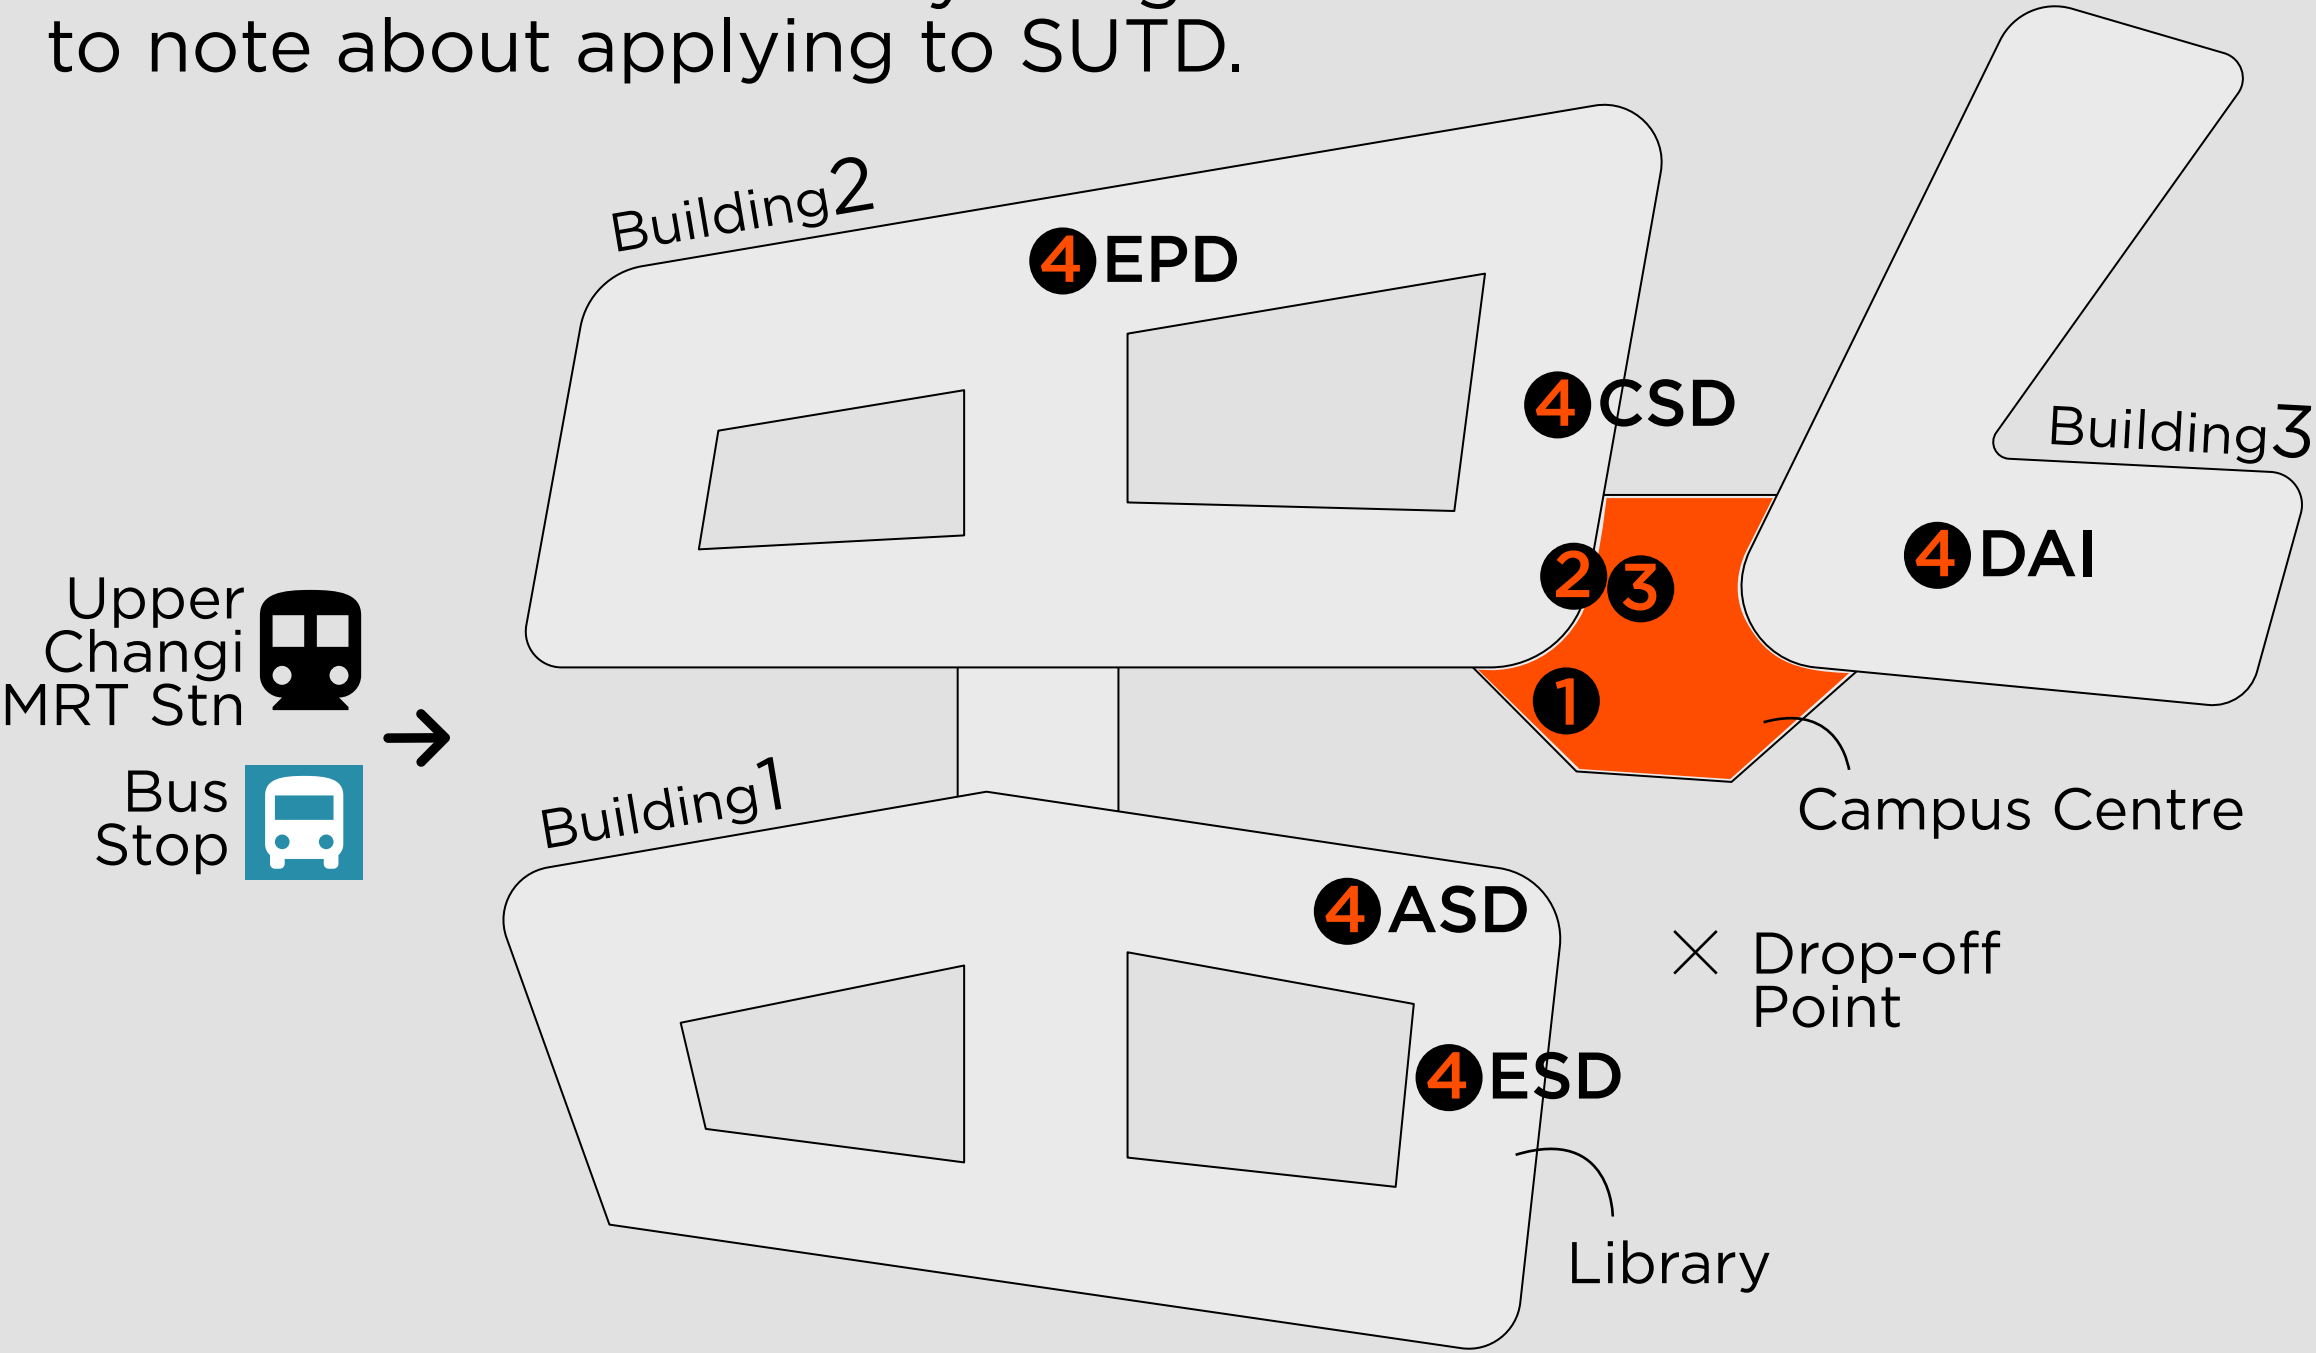

1 Welcome & Info Booth

Start your journey here! Redeem an exclusive totebag and collect our event handout (contains vouchers for free snacks!).

2 SUTD 101 & Admissions 11AM

Head into the Auditorium for the 'SUTD 101 & Admissions' talk by our Director of Admissions. Gain an overview understanding of our education and key things to note about applying to SUTD.

3 Programme Teaser Booths

A snapshot of each of our degree programmes. Get a brief introduction to what's special about each degree programme, then head to the respective Degree Programme Showcases to gain a more in-depth understanding.

4 ASD Studio 2 - Bldg 1 Level 6

Bachelor of Science (Architecture and Sustainable Design)
